SPONSORSHIP BROCHURE

AI-DRIVEN PHARMA INNOVATION SUMMIT

Event Overview:

The Conference on Digital Pharmaceuticals & AI in Drug Development is a premier platform bringing together pharmaceutical leaders, digital transformation experts, tech innovators, regulators, and academic professionals to explore how AI, machine learning, IoT, and data science are transforming drug formulation, manufacturing, regulatory compliance, and commercialization.

This event provides a unique opportunity for sponsors and exhibitors to gain maximum brand visibility, demonstrate digital capabilities, and connect with key decision-makers from India's and global pharmaceutical ecosystem.

Jointly Organized By:

Pharmabharath is a leading platform connecting stakeholders in the Indian pharmaceutical industry. It organizes pharma exhibitions, scientific conferences, and business networking events across India to foster collaboration, innovation, and industry growth. Pharmabharath also operates jobs.pharmabharath.com, a dedicated job portal for pharmaceutical professionals, helping bridge the gap between talent and opportunity. With a strong focus on industry development, Pharmabharath plays a key role in promoting knowledge sharing, business visibility, and national exposure for pharma companies and professionals alike.

Operant Pharmacy Federation:

The Operant Pharmacy Federation (OPF) is an internationally recognized, multidisciplinary scientific community committed to advancing pharmacy and biomedical sciences. Established with a vision to upskill industry professionals, OPF actively promotes ethical practices and innovation in global healthcare. Through its initiatives—including international conferences, hands-on workshops, and research publications—OPF provides a dynamic platform for knowledge exchange. It also supports researchers with dissertation guidance and recognizes excellence through prestigious annual awards, fostering continuous growth in pharmaceutical education, research, and industry collaboration. be a trusted partner in your growth journey within India's thriving pharmaceutical landscape.

Chronicle Pharmabiz:

Chronicle Pharmabiz, launched on December 21, 2000, is a leading weekly pharmaceutical trade magazine published by Saffron Media Pvt. Ltd. It serves the South Asian markets, including India, Bangladesh, Pakistan, Nepal, and Sri Lanka. The magazine offers in-depth coverage of the pharmaceutical industry's dynamics, including manufacturing, regulatory affairs, and market trends. With a readership comprising top and middle management professionals, Chronicle Pharmabiz is a valuable resource for industry insights and business development.

Indian Drug Manufacturers Association:

The **IDMA** Telangana State Board represents pharmaceutical manufacturers across the state, focusing on policy advocacy, regulatory support, and industry development. The board comprises experienced professionals dedicated to advancing the pharmaceutical sector in Telangana. It actively supports MSMEs, addresses regulatory challenges, and promotes growth through workshops, trade fairs, and collaborations with academic institutions. By working closely with government authorities, the board helps resolve industry issues and enhances the state's contribution to the national pharmaceutical landscape through strategic initiatives and continuous stakeholder engagement.
