Empowering India's Pharma & Nutraceuticals for Global Leadership

Connecting India's Pharma Industry to Global Markets

11 April 2026, Hyderabad, India.

Event Overview

Pharmabharath Export Conclave 2026 is a premier platform bringing together pharmaceutical and nutraceutical manufacturers, merchant exporters, policymakers, and trade experts to explore India's growing role in the global exports ecosystem. The conclave focuses on export readiness, regulatory harmonization, financing, private labeling, and business matchmaking to strengthen India's position as a global life sciences hub.

This event offers sponsors and exhibitors the opportunity to gain unparalleled visibility, connect with decision-makers, and showcase capabilities in pharmaceutical and nutraceutical exports.

About Pharmabharath

PharmaBharath is India's leading B2B platform dedicated to fostering collaboration in the pharmaceutical and nutraceutical industries. Through conferences, exhibitions, and consultancy services, PharmaBharath connects manufacturers, exporters, and marketing companies while promoting India's capabilities in healthcare innovation and trade. PharmaBharath also operates jobs.pharmabharath.com, a specialized job portal for the pharmaceutical sector, bridging the gap between talent and opportunity.
